FINANCIAL  
CONSULTING

## *Experts-on-Call*

A confidential source for export credit expertise

**International Financial Consulting Ltd.** now offers a confidential advisory service for executive leaders of Export Credit Agencies.

**The Experts-on-Call service** will provide you with immediate and informed responses to your questions — whether they're related to technical operations or strategic challenges.

You will be put in **one-on-one contact** with leading internationally recognized experts, with a guaranteed response time of less than 24 hours.

**Different service packages** are available and include benchmark studies customized to your peer group and an annual “tour d’horizon” of the export credit industry.

## Experts-on-Call

Access the experience and knowledge of International Financial Consulting Ltd.'s experts with its confidential Experts-on-Call service.

**Diana Smallridge**, PRESIDENT & CEO

Diana Smallridge is a well-known expert in the field of Export Credit Agencies, EXIM Banks and Development Banks. She has extensive knowledge of export credit and development finance systems around the world, as well as a special focus on strategic planning, performance measurement, and governance issues relating to commercially operated government agencies. Ms. Smallridge is the Conference Chairman for the Annual Global Convention on Export Credit and Political Risk, held in London. She has won recognition as a pioneering thinker in export finance and is a sought-after speaker and advisor on the role of government in the export credit and development finance areas. She has worked with clients from every part of the world, including Australia, Bangladesh, Canada, Czech Republic, Finland, Japan, Mexico, New Zealand, Philippines, Romania, Russia, Saudi Arabia, South Africa, Turkey, and USA.

**Malcolm Stephens**, GROUP CHAIRMAN

Malcolm Stephens is a highly sought-after international expert with more than 40 years of experience in the export credit, export finance and political risk field, including five years as Chief Executive of UK's Export Credit Agency (ECGD) and six years as Secretary General of the International Union of Credit and Investment Insurers (the Berne Union). Mr. Stephens was also the Head of the Trade and Export Finance Operations for Barclay's Group. In his role with International Financial Consulting Ltd., he has advised numerous governments and agencies from around the world including Australia, New Zealand, Canada, China, South Africa, Turkey, Chile, Bangladesh, among others. He is a frequent speaker at international meetings and has published widely, including a book for the IMF entitled "*The Changing Role of Export Credit Agencies*."
